

CAPABILITY STATEMENT

Mier Logistics, LLC

COMPANY OVERVIEW

Founded in 2013, Mier Logistics, LLC is a family owned and operated company. We are recognized as a minority and veteran owned industry leading 3rd Party Logistics company. We streamline the freight management process, making it easier for you to expedite your products and get them where they need to be. Mier Logistics, LLC is dedicated to providing quality logistics services coupled with superior customer experiences.

PAST PERFORMANCE

Mier Logistics, LLC has been selected seven years in a row for the Best of Plano Awards for Logistics Services and now qualifies for the 2023 Plano Business Hall of Fame.

CORE COMPETENCIES

- We provide services for multiple transit modes including Dry Van, Flat/Step-Deck as well as expedited team service.
- We manage every detail of your shipment or project to ensure your products arrive on time, every time, and take pride in over 98% on time delivery.
- We specialize in finding the most reliable solutions for your shipping and distribution network with a focus on your needs, schedule and budget.
- We offer open and scalable technology that is readily integrated into existing operational requirements with the capability to extend as needs evolve.
- We will dedicate a logistics support team specific to your account to ensure seamless communication and positive customer experiences.

DIFFERENTIATORS

We are a dedicated transportation specialist offering unparalleled customer experiences and a dedication to superior quality of service. We offer a combined 60 years of professional experience in the logistics and transportation industry.
